Lasagna | Mac N'Cheese

Preheat the oven to 375 ° F . Chef Rick's Pro-Tip : heat up from room temperature for 15 minutes to get the chill off, instead of directly from the fridge for best results. Bake in the centre rack, with the lid on, for 45 minutes for the Mac N' Cheese or 45-55 minutes for the Lasagna. Remove the lid and broil for 3-5 minutes until the top is golden brown and bubbly. Mac N' Cheese is ready to serve right away! Allow Lasagna to rest for 10 minutes before slicing and serving.
